# HAWAIIAN POT OF GOLD

## Our President's Message

This month the Hunt Heroes Foundation, in partnership with Hunt Military Communities, will be launching their third annual Hunt Little Heroes program. This program is aimed at highlighting the extraordinary military children who serve our communities in

thoughtful and meaningful ways. If you know of a military child aged 4-15 who works to make the community where they live a better place, please encourage them to apply to be a Hunt Little Hero. All applicants will receive a special commemorative coin and hero cape. Three outstanding children will be awarded a monetary gift along with the opportunity to have a matching award presented to the charity of their choice. Applications open March 15, 2022 and run through April 15, 2022. For more information, please visit [huntheroesfoundation.org](http://huntheroesfoundation.org). As we usher out winter and welcome the warmer days of spring, I wish you and your family the very best.

## Why Does Hawaii Have so Many Rainbows?

Rainbows are a very important part of Hawaiian culture (our football team is named after them!) and we are used to seeing them almost everyday! So what makes Hawaii the magical land of rainbows? It's a combination of clean air, mountains, cloud coverage, and our famous trade winds. The winds coming from the ocean are pushed over the mountains, forcing them to cool. This creates holes in the rain shower clouds for the sun to enter. Our bright, Hawaiian sun is the final ingredient to create those stunning rainbows that make our home even more beautiful. Now on to the next mystery; with all these rainbows, where are the pots of gold and the leprechauns?

On Valentine's Day, We hosted a Movie Night Under the Stars in Manana showing Adam Sandler's iconic "50 First Dates" (what else for a romantic night in Hawaii?). The night was completed with freshly popped popcorn by our great team members. Let us know if you enjoyed movie night and what you would like to see

## We Want to Hear From You

Hunt Military Communities is introducing a new way to share your feedback. Through the **Hunt Residents' Feedback Loop**, you can share your thoughts, *at any time* through an online survey.

[https://mfan.az1.qualtrics.com/jfe/form/SV\\_2iaQpvKHb8nraF7?utm\\_source=newsletter&utm\\_medium=newsletter&utm\\_campaign=huntsurvey&utm\\_term=milfam&utm\\_content=marchnewsletter](https://mfan.az1.qualtrics.com/jfe/form/SV_2iaQpvKHb8nraF7?utm_source=newsletter&utm_medium=newsletter&utm_campaign=huntsurvey&utm_term=milfam&utm_content=marchnewsletter)

We are always looking for ways to strengthen and serve our communities. That's why we collaborated with the Military Family Advisory Network (MFAN) to build a feedback loop so we can hear from you. As a resident, this feedback loop provides you the opportunity to share your housing experiences directly with MFAN, confidentially. MFAN will then share its findings regularly with leadership at Hunt Military Housing.

We want to ensure we're serving you the best we can while stationed in our communities. Your voice matters to us.
