NEWS & STORIES

MONTH OF THE MILITARY CHILD

Our President's Message

April is the Month of the Military Child and during this month, Hunt Military Communities celebrates the youngest members of our communities. Military children, often make some of the most significant sacrifices moving from state to state, school to school, and having

parents deployed for long periods of time. We are proud to acknowledge and support the tremendous strength and resiliency of our military children, along with the sacrifices. This year, for the third time, we are hosting our Hunt Little Heroes program. Encourage your children to share stories of how they have been a hero and positive influence in their community. Applicants are asked to submit a 300-word essay, or a video telling their "Hero Story." All applicants will receive a complimentary Hunt Little Heroes cape, mask and challenge coin. Three winners will receive cash prizes and matching donations to the charity of their choice. For more information please visit <https://www.huntheroesfoundation.org>. From all of us here at HMC, thank you for your service and sacrifice.

Celebrating Our Littlest Heroes

The term "military brat" is a badge of pride worn by generations of kids who traveled the world with their parents, moving into adulthood with the knowledge that they have the strength to handle anything. Military children deal with separations, deployments, frequent moves and even their parents' injuries as part of the life they were born into or entered with their families. Their strength and resiliency are inspirational. This year, many of them are facing extended separations from a parent and delayed PCSes. Join us as we "Purple Up" this month to celebrate these brave heroes.

Employee Spotlight

We cannot wait for you to meet our new Community Director, Les Smith. Les likes playing the bass guitar so we wonder if he's tried his hand at the Ukelele. He also loves spending quality time with his grandson. Here at Ohana, we wholeheartedly approve of that hobby! Les says, "I love my job because it brings me pleasure to support our residents that serve our country. We are proud to have Les as part of the team!"

Maintenance Corner

Grout Maintenance

Grout is our best friend when it comes to keeping our tubs and showers sealed, but what about when it starts to crack, chip, and discolor? If you notice any cracks or missing grout, please make sure to call our maintenance team. They will ensure that it is properly replaced without causing further damage to the tub or area. To ward off mildew or ugly discoloration, a little baking soda, vinegar, and warm water will do wonders. If you prefer to bring in the big guns, ZEP Mold, Stain and Mildew Remover is our recommendation. As always, we are here to help so please feel free to call our maintenance team with any questions.
