HONORING OUR FALLEN BROTHERS

Our President's Message

Memorial Day is a time to remember, and honor, the fallen service members who died serving our country. This does not mean we spend the weekend only mourning those who made the ultimate sacrifice, rather we spend this time in remembrance of these brave men and

women while doing things we love with the people in our lives we cherish most. This is a weekend to celebrate our freedoms while thanking those who fulfilled their oath to serve this country with their lives. We honor their memory and sacrifice through our gratefulness. The Hunt Military Communities Team is consistently in awe of your selfless service, and we do not take for granted the dangers of your career. This Memorial Day we will all take time to reflect on the lives lost in service to this country and celebrate them with our remembrance and gratitude. We are thankful for your service each day, but weekends like this remind us just how special your oath to this country truly is.

Semper Fidelis, .

Military Spouse Appreciation Day

On May 6th, Military Spouse Appreciation Day, we honor the contributions and sacrifices made by military spouses. Their commitment and support help to keep our country safe. America's military spouses are the backbone of the families who support our troops during mission, deployment, reintegration and reset. Military spouses are silent heroes who are essential to the strength of the nation, and they serve our country just like their loved ones. Make sure to take time on this special day to honor the spouses who are neighbors and family in our communities.

Community Reminders

Chickens Are Not Pets

Feral chickens are creating nuisances by foraging in our communities, crowing at inconvenient hours, posing health concerns with their waste, and agitating household pets. More roaming chickens means more nuisances. OMC residents can help manage the nuisance by not feeding feral chickens and reducing the feral chicken population in their community.

- ⇒ Chickens are NOT accepted pets. Do not keep them in your yard or home.
- ⇒ Report chicken-nests or deceased chickens to your RSO.
- ⇒ Feeding feral chickens is illegal in Honolulu County.
- ⇒ Do not purposefully harm chickens or other wildlife.
- ⇒ Try spraying unwanted chickens with water to keep them out of your yard.
