OHANA NAVY INSIGHTS NEWS & STORIES

HAPPY 4TH OF JULY

Our President's Message

Dear Residents,

This month we will celebrate Independence Day on the Fourth of July, and I hope your families enjoy some well-earned time off with your loved ones. Along with all the customary barbecues and fireworks

displays. Hunt Military Communities wants to thank you and your families for the many sacrifices you make for our freedoms and way of life. Many of our residents will PCS this summer and we will be welcoming those families to Hunt Military Communities. We have recently chosen new **Pillars of Excellence** that are the foundation to how we run this company and serve each of you. **Excellence, Accountability, Integrity, Continuous Improvement, and Customer Commitment.** Our goal is to provide you with the very best living experience at each step of your journey in our communities. We are committed to continuous improvement by raising the bar with our management and fiduciary obligations of military housing projects. Wishing you all a safe, happy, and healthy holiday!

Semper Fidelis,

Employee Spotlight

Jasalyn is one of our new, incredible Resident Service Specialists at Mololani Resident Services Office. She has been in customer service for nine years so we're very lucky to have her on our team. She can also deadlift 315 lbs! Jasalyn says, "I like my job because I get to meet lots of new people everyday!" Make sure to say hello to Jasalyn when you see her in the community and check out those famous guns! Thanks for all your hard work Jasalyn and welcome to the Ohana.

Window Safety

Warm weather and the urge to open a window pose a potential danger that many people don't realize until it's too late - **window falls**. Please check all the rooms in your home and make sure they are safe places for your children to play or nap.

- **Close it!** Close upstairs windows if an unattended child will be in the room.
- **Move it!** Anything that could become a ladder should be moved away from upstairs windows. Look for toys, boxes, beds, and other furniture kids could use to climb to the window.
- **Check it!** Routinely check your windows (while the children aren't watching) to ensure the locking mechanism is in proper working order. If a window lock isn't working properly, please call Maintenance.
- **Add it!** There are various options available that prevent the window from opening more than 4 inches. These child safety devices can be found at local hardware stores and online.

Are you Plugged in?

Make sure that you are connected to OMC through the Hunt Resident Portal. This app makes it easy to enter maintenance requests and keep track of them, allows you to make easy payments online, and lets you RSVP for upcoming events. Make sure that every adult in your home has their own account so that they have access to important updates and can enter maintenance requests when the primary is unavailable. To register, you will simply need to make a quick phone call to your Resident Services Office (RSO) and they can help you with the rest!
