**NEWS & STORIES**

## Our President's Message

Dear HMC Resident, On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. Eight paramedics went to sleep in preparation for the morning shift. They all died heroes. The one thing we can all do is to recognize that their lives were not lost in vain. I ask you to join me in vowing to “never forget” and to continue living our lives stronger and more unified. In memory of 9-11, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8 -18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-11. Children wishing to submit their essay can do so at [www.huntheroesfoundation.org](http://www.huntheroesfoundation.org). Submissions are due no later than September 7th. Winners will be announced on September 9th. As always, thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann  
President and Chief executive Officer

## The First Labor Day

If you're like most Hawaiians, you'll spend your Labor Day weekend at the beach surrounded by friends and family eating some mac salad. That sounds like the perfect day to us, but how was Labor Day intended to be celebrated? The initial proposal was that of a street parade to exhibit "the strength and esprit de corps of the trade and labor organizations" of the community, followed by a festival for the amusement of workers and their families. Speeches by prominent men and women were introduced later. A parade sounds like fun, but the beach sounds even better! Have a great Labor Day!
