## MILITARY SPOUSE EMPLOYMENT PARTNERSHIP

Hunt Military Communities announces a new partnership with the Defense Department.

On October 25, 2022, Hunt Military Communities will join the Defense Department Military Spouse Employment Partnership in an in-person induction ceremony and annual event in Arlington, Virginia. Hunt Military Communities joins more than 70 new partners to MSEP — bringing the number of employers to more than 615.

MSEP connects military spouses with hundreds of partner employers who commit to recruit, hire, promote, and retain military spouses. Since its inception in 2011, MSEP employers have hired more than 220,000 military spouses.

## OUR CEO'S MESSAGE

Dear HMC Residents,

As we wind down the year, I want to thank you personally for choosing to make your home at Hunt Military Communities. I know you have a choice when choosing where to call home, and we appreciate the opportunity to serve you and your family.

Recently, we completed focus groups in each of our communities. Thank you to the residents who participated and shared their candid feedback. We have identified areas of opportunity from your sentiment that are being prioritized for 2023. We look forward to continued dialogue with our residents on how we can collectively continue to make living on base a great experience.

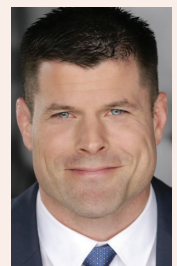

On November 11th, we will honor our many veteran residents who unselfishly answered the call and served our great nation in the name of duty, honor, and country. The entire HMC team is grateful and proud of their many sacrifices, and we want to be the first to thank you and your families for your service to our nation.

Lastly, we want to wish you all a Happy Thanksgiving. I hope you can all make meaningful memories with your loved ones, and for those families with a deployed service member, we are both grateful and humbled by the sacrifices your family makes for all of us.

As always, thank you for allowing us to serve you.

Semper Fidelis,

Brian Stann

# COMMUNITY ANNOUNCEMENTS

Happy Thanksgiving from Ohana Military Communities!

Thanksgiving Cooking Safety:

1. Cooking Fires: According to the Red Cross, a considerable number of home fires are related to leaving food unattended while it is cooking. For this reason, it is best to keep an eye on things when you have food cooking on the stovetop or in the oven.
2. Move items that can burn away from the stove. This includes dishtowels, bags, boxes, paper, and curtains; also, keep children and pets at least three feet away.
